Shipping & Liner Agency

FMT-GLOMAR provides comprehensive liner and shipping agency services for shipping lines, feeder operators, and NVOCC principals throughout Asia.

ISO Tank Agency

ISO Tank operations form one of the core strengths of FMT-GLOMAR.

Project Logistics

FMT-GLOMAR specializes in oversized, heavy lift, breakbulk, and industrial project cargo handling throughout Indonesia and Asia.

Indonesia Outport & Archipelago Logistics

One of FMT-GLOMAR's strongest competitive advantages is its extensive Indonesian archipelago operational network.

Through Glomar's local expertise and domestic connectivity, clients gain access to more than 40 Indonesian outports and secondary ports beyond Jakarta, Surabaya, and Belawan.

Vessel Agency Services

FMT-GLOMAR provides professional vessel agency services supporting vessel owners, operators, and charterers across major ports and outports.
